Headteacher/Prifathro:
Mr D.A. Howells BSc (Hons), NPQH

Date 20th September 2018

Following the recent and most tragic event at our school, our thoughts and prayers remain with Bradley's family and in particular his sister Danielle.

We have been made aware of speculation and comments made in the media. The Governing Body is very conscious of the concern and anxiety that can arise from such comments for staff, pupils and parents. We have also been made aware of a potential event arranged outside the school tomorrow. In relation to this, Gareth Morgans, Director of Education and Children's Services has commented:

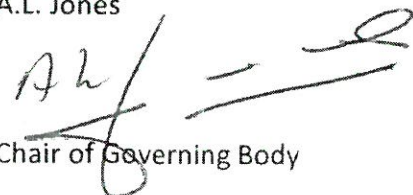

"We understand there is some concern about an event which is due to take place outside the gates of St John Lloyd School tomorrow (Friday, September 21). We are assured that this will be a peaceful occurrence. The school will be open as normal throughout the day.

"We are working in close liaison with the school and a wide range of agencies to ensure the safety and wellbeing of all pupils, staff and all members of the school community.

"I would like to acknowledge the professional and compassionate contribution of the Headteacher and his staff at this difficult time. I would also like to thank parents for their continued support and the pupils for their maturity and consideration."

Our Chair of Governors, Mr. A.L. Jones said 'I would like to take this opportunity to thank the local authority and Diocese for the support provided over the last week. I reassure you that we are supporting this work and the school as a whole. I wish to note my sincere thanks to all pupils, parents and staff for their ongoing commitment and support for our school at this difficult time.'
